WHY WE SERVE

Since 1869, St. Vincent de Paul Portland has been committed to serving Oregon families in need. In the spirit of St. Vincent, we aim to bring compassion and understanding to every encounter, whether we are delivering a food box or paying a rent or utility bill. We can only do what we do thanks to the generous support from donors in our community—thank you for helping us help others!

brian grant FOUNDATION

Brian Grant played 4 years with the Trail Blazers, 12 years total with the NBA before being diagnosed with Young Onset Parkinson's Disease at the age of 36. He started the **Brian Grant Foundation** to build a community devoted to inspiring people to do what they can – today – to live well with Parkinson's disease. "I've always held the belief that you should "leave it all on the court" and that's the approach I'm taking to living well with Parkinson's."

"Basketball gave me a life; Parkinson's taught me how to live it"

— BRIAN GRANT

YOU CAN HELP CONTINUE BRIAN'S MISSION TO EMPOWER PEOPLE IMPACTED BY PARKINSON'S DISEASE TO LEAD ACTIVE AND FULFILLING LIVES BY MAKING A DONATION AT **BRIANGRANT.ORG**

HelpCureHD aims to help improve the quality of life for those affected by Huntington's Disease by contributing financial, emotional, and mental support while trying to find the cure.

THE PROBLEM

There is no cure for Huntington's Disease. Currently, there is a 50/50 chance a child could inherit the disease if a parent has HD in their family line.

There is a way to stop the gene from being passed on, through in vitro fertilization, or IVF. A procedure that implants embryos that do not have the HD gene can cost upwards of $25,000 - $30,000. This treatment is the only way parents who are at risk can guarantee their biological child will be HD-free.

OUR GOALS

- Provide the finances for families who are at-risk and in financial need and are willing to undergo IVF in order to stop the HD gene from being passed on in their family line.
- Our broader focus is to continue developing partnerships with fertility clinics across the country and raising funds to help cover these costs for many more families.
- HelpCureHD has already awarded 136 families through its grant program, which means Huntington's Disease will be eradicated from dozens of family lines FOREVER. HCHD has welcomed dozens of healthy babies already born, and many on the way!
